(B) Comprehension- Read the following passage carefully and answer the questions given below

Dear Mr. Patel,

We understand your difficulty and inconvenience to go to office daily without a Car . In order to keep you uncomfortable no further, our expert mechanics have quickly examined your Car to identify the cause of problem.

After a thorough inspection of your Car, our experts have identified the problem and source of trouble in your vehicle. The mechanic's report indicates that the breakdown is due to lack of sufficient engine oil and consequent friction and heat in the system. Although we guarantee free replacement of any defective spare parts, we do not take responsibility if the damage is caused due to improper maintenance and care. In view of this, we are not in a position to grant your request for repair of your car without charges. The maintenance manual given to you at the time of sale of the Car has a detailed checklist for the owners from pages 11-18. However we are glad to inform you that we are in a position to repair the car and replace the spare parts at a cost of Rs 2500/- .We will be able to take up the repair only after confirmation from your side.

Assuring you the best of our services,

Yours sincerely
