Q.97 In the question below is given a statement followed by two conclusions numbered I and II. You have to assume everything in the statement to be true, then consider the two conclusions together and decide which of them logically follows beyond a reasonable doubt from the information given in the statement.

Statement:

If A was there in XYZ cricket team, XYZ would have been the invincible team in the world.

Conclusion:

- I. Without A, XYZ cannot win.
- II. A is more talented than anyone else in the XYZ cricket team

- Ans**
-  1. Only I follows.
 -  2. Only II follows.
 -  3. Both I and II follow.
 -  4. Neither I nor II follows.
