SSC ONLINE EXAMINATION

CANDIDATE RESPONSE SHEET/GRIEVANCE SYSTEM

Exam Level	:	Combined Graduate Level Examination, 2026
Test Date	:	06 Oct 2026
Test Time and Shift	:	05:00 PM (Shift-3)

Correct Option (official answer key)

PART-A (General Intelligence and Reasoning)

Q.No: 1	**Address A:** 5th Cross, 10th Main, Indiranagar, Chennai – 600020 **Address B:** 10th Cross, 5th Main, Indiranagar, Chennai – 600020 Are these addresses likely to be the same?
	Yes
	No, city differs
	No, cross and main street differs
	No, pin code differs

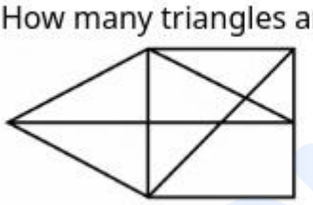

Q.No: 2	In a certain code language, "STONE" is written as "RSNMD." How will "CHAIR" be written in the same code language?
	BGBHQ

	BGZHO
	BGZHQ
	BGBHO

Q.No: 3	In a certain code language, "COMMUNICATION" is written as "DONMVNJCBTJOO". How will "EDUCATIONALLY" be written?
	FDVCBTJOOAMLZ
	FDCBVTJOOAMLZ
	FDVCBTJOAOMLZ
	FDVCBTOIOAMLZ

Q.No: 4	In a row of players, Mohan is 6th from the left, and Sohan is 20th from the right. After swapping their places, Mohan becomes 18th from the left. Find the total number of players.
	33
	35
	37
	39

Q.No: 5	A newly appointed department head reports to a senior director who is highly anxious about an upcoming internal audit and tends to micro-manage minor tasks, affecting team efficiency. How should the department head apply empathy and adaptive leadership to handle this situation effectively?
	Ignore the director's micro-management tactics and instruct the team to follow only the head's direct commands.
	File a formal complaint with higher management requesting the senior director's transfer due to interference.
	Match the director's anxiety by introducing stricter daily monitoring systems for all staff members.
	Schedule a private meeting to provide structured audit updates and ease the director's underlying anxiety.

Q.No: 6	How many triangles are there in the given figure? 
	9
	11
	12
	13

Q.No: 7	During a meeting, a junior colleague proposes an idea that lacks clear articulation but holds significant potential, only to be quickly dismissed by the manager. Observing the employee's visible discouragement, what is the most professional and constructive action you should take?

	Remain entirely silent because challenging the manager's decision in the moment might be unwise.
	Arrange to meet the employee later to tell them that they really need to speak more clearly.
	Make a lighthearted joke about the situation in order to help lighten the overall team mood.
	Reframe their idea using better terminology during the meeting and suggest revisiting the proposal.

Q.No: 8	During dinner, your longtime childhood friend and colleague admits that they accidentally erased an important client backup file due to carelessness and intends to attribute the mistake to a recent software glitch the next day. As a peer exercising emotional intelligence, how should you respond to this situation?
	Out of fierce loyalty to your childhood friendship, promise to back up their story and validate the software glitch theory to management.
	Validate their concerns while emphasising honesty and jointly review the data to prepare a transparent remediation report.
	Immediately report them to HR via an anonymous email tonight to protect your own career track from any contamination.
	Tell them they are incredibly foolish, mock their carelessness, and refuse to sit next to them in the office until the matter clears up.

Q.No: 9	Complete the pattern in fig. (X) by selecting one of the figures from the four alternatives : Figure(X):

	
	
	
	

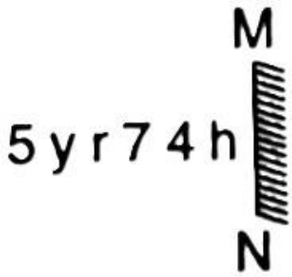

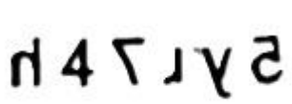

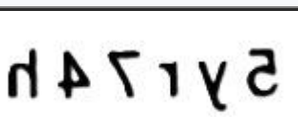

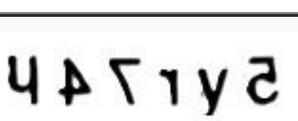

Q.No: 10	If X % Y means X is added to Y, and X π Y means X is multiplied by Y, find the expression for "the sum of A and B multiplied by the value of C."
	(A % B) π C
	A % (B π C)
	(A π B) % C
	A π B π C

Q.No: 11	If 12 × 3 means 4, 15 − 5 means 75, and 4 ÷ 2 means 6, then what is the value of 20 − 10 × 5 ÷ 2?
	38
	42
	56
	62

Q.No: 12	In the following question, one statement is given, followed by certain inferences. Consider the statement to be true even if it seems to contradict commonly known facts. Read the inferences carefully and decide which of them logically follow from the given statement. **Statement:** Pedestrians crossing busy roads without using designated zebra crossings often disrupt traffic movement and increase the chances of accidents during peak hours. **Inferences:** I. Improper road crossing can create safety hazards. II. Only pedestrians are responsible for road accidents.
	Only Inference I follows.
	Only Inference II follows.
	Both Inferences I and II follow.
	Neither Inference I nor Inference II follows.

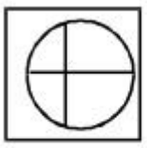

Q.No: 13	If a mirror is placed on the line MN, which figure will be the mirror image of the question figure? 
	
	
	
	

Q.No: 14	A client requests a specific feature for their software project that is outside the original project scope. Your manager is away, and the client is pressuring you to commit to the deadline today. What should you do?
	Agree to the request immediately to keep the client happy.
	Refuse the request flatly to avoid extra work.
	Acknowledge the request, consult your manager, and provide an update by day end.
	Do the work in secret so that it does not show on the official project logs.

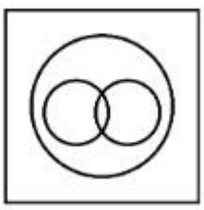

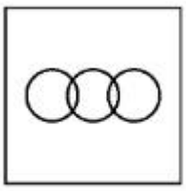

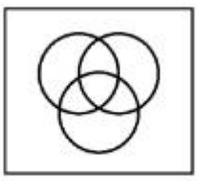

Q.No: 15	**In the following question, there is a specific relationship between the first two figures. Establish a similar relationship between the third and fourth figures by selecting a suitable figure from the given Answer Figures to replace the question mark (?).** **Question Figures:**  **Answer Figures:**  (1) (2) (3) (4)
	1
	4
	3
	2

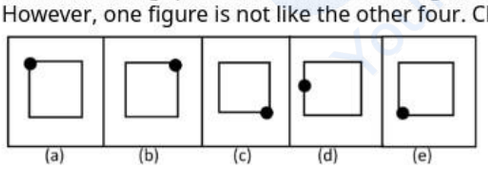

Q.No: 16	**In the following question, there is a specific relationship between the first two figures. Establish a similar relationship between the third and fourth figures by selecting a suitable figure from the given Answer Figures to replace the question mark (?).** **Question Figures:**  **Answer Figures:**  (1) (2) (3) (4)

	4

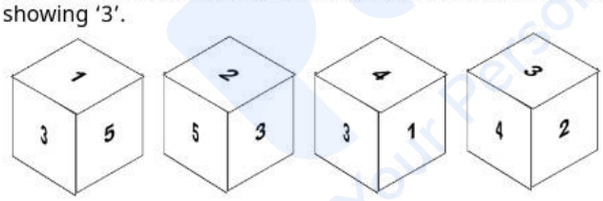

Q.No: 17	Carefully observe Figure (X) and identify the option figure in which Figure (X) is embedded exactly as shown. Figure X: 
	
	
	
	

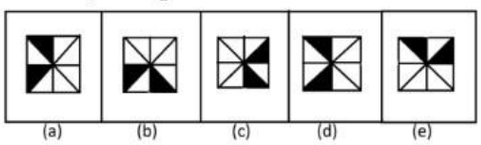

Q.No: 18	Which of the following Venn diagram represents the relationship between “Educated”, “Employed” and “Urban”?

Q.No: 19	In the following question, out of the five figures marked (a), (b), (c), (d), and (e), four are similar in a certain manner. However, one figure is not like the other four. Choose the figure which is different from the rest.  (a) (b) (c) (d) (e)
	a
	c
	d
	e

Q.No: 20	Read the given statement carefully and the following assumptions based on it. Decide which of the assumptions are implicit in the statement. **Statement:** The government is considering a complete ban on single-use plastic bags in all retail outlets to protect the local environment. **Assumptions:** I. Retail outlets are the largest source of plastic waste in the region. II. Eliminating plastic bags will lead to a cleaner and healthier local environment.
	Only Assumption I is implicit
	Both Assumptions I and II are implicit
	Only Assumption II is implicit
	Neither Assumption I nor II is implicit

Q.No: 21	Four different positions of the same dice are shown. Select the number that will be on the face opposite to the one showing '3'. 
	6
	4
	2
	1

Q.No: 22	In the following question, out of the five figures marked (a), (b), (c), (d), and (e), four are similar in a certain manner. However, one figure is not like the other four. Choose the figure which is different from the rest.  (a) (b) (c) (d) (e)
	c
	d
	a
	e

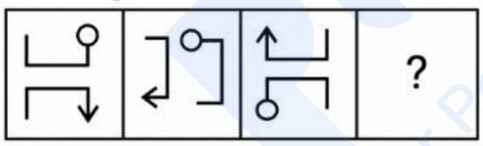

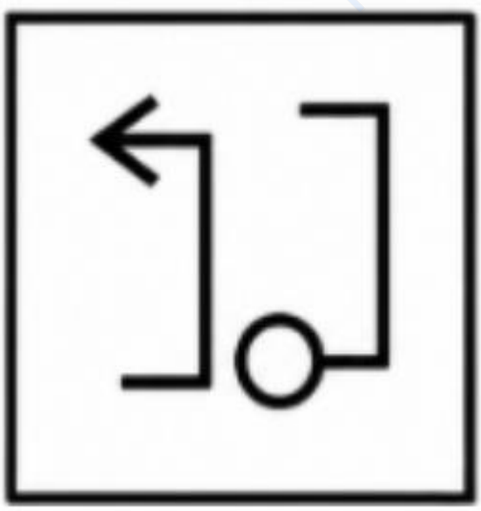

Q.No: 23	Which of the following rows/columns are connected/related with each other in some way?

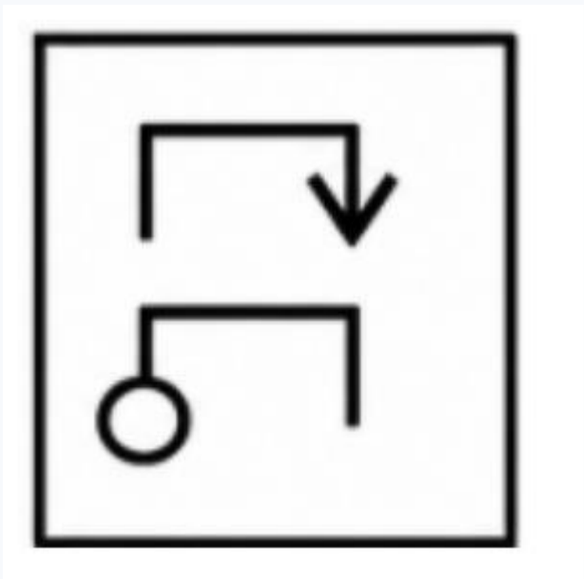

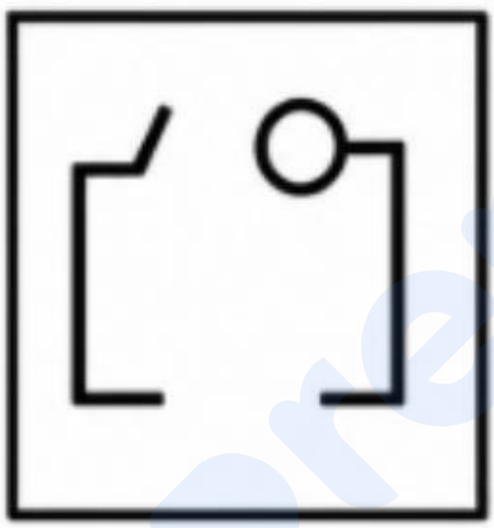

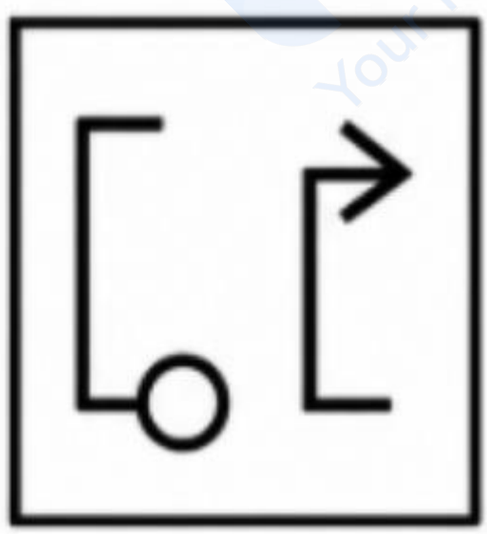

Rows	Columns				
	I	II	III	IV	V
I	4	7	11	9	9
II	8	11	15	13	13
III	6	9	13	11	16
IV	12	15	20	17	14
V	10	13	17	15	11

	Columns I, II and IV
	Columns I, III and IV
	Columns I, II and III

	Columns, I, III and V

Q.No: 24	Fill in the blanks (_) using one of the following four options such that the series follows a specific order. c _ b d c a _ d c a b _ _ a b d
	adbc
	cbad
	abdc
	abcd

Q.No: 25	Select a figure from among the alternatives that will continue the same series established by the Problem Figures. Problem Figures:

PART-B (General Awareness)

Q.No: 26	The Finance Commission of India is constituted by the President under which Article?
	Article 280
	Article 148
	Article 324
	Article 315

Q.No: 27	Which Article provides for the establishment of the Union Public Service Commission?
	Article 315 of the Indian Constitution
	Article 320 of the Indian Constitution
	Article 323 of the Indian Constitution
	Article 324 of the Indian Constitution

Q.No: 28	How much time difference exists between the westernmost village of Gujarat and Walong in Arunachal Pradesh?
	1 hour

	2 hours
	3 hours
	½ hour

Q.No: 29	What is the subject matter of Article 126 of the Indian Constitution?
	Appointment of Supreme Court judges
	Powers of the Chief Justice of India
	Appointment of Acting Chief Justice
	Retirement of judges of the Supreme Court

Q.No: 30	Which article of the Constitution of India empowers a High Court to issue writs?
	Article 226
	Article 32
	Article 132
	Article 270

Q.No: 31	For which of the following physical quantities is the SI unit the candela?
	Impulse
	Velocity
	Magnetic permeability
	Luminous intensity

Q.No: 32	**Fill in the blank:** The point on the Earth's surface vertically above the 'Focus' (Hypocentre) where an earthquake originates is called the _____.
	Isocentre
	Epicenter
	Seismic Core
	Fault Plane

Q.No: 33	Which mineral is associated with Gangpur and Sundergarh in Odisha?
	Coal

	Petroleum
	Manganese
	Bauxite

Q.No: 34	Consider the following pairs of folk music traditions and their corresponding states: 1. Malushahi – Uttarakhand 2. Manganiyar – Rajasthan Which of the pairs given above is/are **correctly** matched?
	1 only
	2 only
	Both 1 and 2
	Neither 1 nor 2

Q.No: 35	The PM SHRI (Prime Minister's Schools for Rising India) scheme is primarily designed to achieve which of the following objectives?
	To provide free laptops to all school students in rural areas
	To develop and upgrade selected schools as model institutions showcasing NEP 2020
	To privatize government schools through public-private partnerships

	To focus only on higher education and university reforms

Q.No: 36	Which factor most differentiates BRICS (Brazil, Russia, India, China, and South Africa) from the Non-Aligned Movement (NAM)?
	Representation of developing countries
	Focus on economic cooperation among major emerging economies
	Opposition to colonialism
	Demand for sovereignty

Q.No: 37	The Chabahar project strengthens India's ability to access Afghanistan primarily through:
	Arabian Sea–Iran–Afghanistan route
	Indian Ocean–Oman–Afghanistan route
	Caspian Sea–Iran–Afghanistan route
	Persian Gulf–Iran–Afghanistan route

Q.No: 38	The state government creates a special court of judicial magistrates first class for cyber fraud cases in a city. Later, a regular judicial magistrate first class in the same area takes cognizance of a cyber fraud case and begins trial proceedings. Which of the following is legally correct under the Bharatiya Nagarik Suraksha Sanhita, 2023 in India?
	The regular magistrate can proceed because all judicial magistrates have concurrent jurisdiction.
	The regular magistrate can proceed only with sessions judge approval.
	The regular magistrate lacks jurisdiction if the case falls within the class assigned to the special court.
	The Special Court can hear only appeals, not trials.

Q.No: 39	Who has been appointed as the new Managing Director (MD) of Indraprastha Gas Limited (IGL) in June 2026?
	Sanjay Kumar
	Kumar Shanker
	Neelkanth Mishra
	Ajay Rajan

Q.No: 40	Which Indian wrestler became the youngest-ever Olympic medallist from India by winning Bronze in the 57kg category at the Paris 2024 Olympics?
	Bajrang Punia
	Ravi Kumar Dahiya

	Aman Sehrawat
	Antim Panghal

Q.No: 41	Which Ramsar site in Uttar Pradesh was highlighted during World Wetlands Day 2026 for ecological and cultural significance?
	Nawabganj Bird Sanctuary
	Parvati Arga Bird Sanctuary
	Samaspur Bird Sanctuary
	Sandi Bird Sanctuary

Q.No: 42	Which of the following statement regarding nominal and real GDP (Gross Domestic Product) is **correct**?
	Real GDP is calculated using current-year prices whereas nominal GDP uses base-year prices.
	Real GDP and nominal GDP always remain equal in every accounting year.
	Real GDP removes the effect of price changes through constant-base-year prices.
	Real GDP excludes services while nominal GDP includes both goods and services.

Q.No: 43	Which of the following is a Maharatna Central Public Sector Enterprise?
	Hindustan Aeronautics Limited
	Mahanagar Telephone Nigam Limited
	Indian Oil Corporation Limited
	Bharat Sanchar Nigam Limited

Q.No: 44	Which of the following population trends is most likely to occur in a region with a high birth rate and a rapidly declining death rate?
	Population stagnation
	Negative growth
	Population explosion
	Zero growth

Q.No: 45	Which of the following is the primary cause of the major breakdown and eventual failure of the Third Five-Year Plan to reach its targets?
	Runaway international crude oil price spikes
	External conflicts and severe droughts

	Political instability at the central government
	Implementation of massive pay commission awards

Q.No: 46	Which biological experiment was successfully demonstrated aboard the PSLV Orbital Experimental Module-04 (POEM-4)?
	Animal tissue regeneration
	Seed germination in microgravity
	Human cell culture growth
	Plant pollination in orbit

Q.No: 47	A prey population increases from 400 individuals to 600 individuals over one year. What is the percentage growth in the population during this period?
	25%
	33%
	60%
	50%

Q.No: 48	An antibody titre increases from 1:20 before vaccination to 1:320 after vaccination. By what factor has the antibody titre increased?
✓	16-fold
	12-fold
	19-fold
	20-fold

Q.No: 49	Who chaired the Punjab and Bengal Boundary Commissions that demarcated the borders between India and Pakistan?
	Lord Wavell
	Sir Stafford Cripps
	Lord Mountbatten
✓	Sir Cyril Radcliffe

Q.No: 50	Which of the following plans formed the immediate basis of the Indian Independence Act, 1947?
	Wavell Plan
	Cripps Proposal

	Mountbatten Plan
	August Offer

PART-C (Quantitative Aptitude)

Q.No: 51	If $\sqrt{1 + \frac{x}{256}} = \frac{17}{16}$, find the value of x.
	24
	45
	52
	33

Q.No: 52	**Simplify:** $[(0.6)^4 - (0.5)^4] \div [(0.6)^2 + (0.5)^2]$.
	0.15
	0.11
	0.18
	0.19

Q.No: 53	If A : B = 5 : 6 and B : C = 10 : 9, find A : B : C.
	25:30:27

	15:20:9
	10:15:17
	25:40:19

Q.No: 54	A alone completes a work in 12 days. With the help of an assistant, the work is completed in 8 days. If total wages are ₹600, find the assistant's share.
	₹260
	₹140
	₹160
	₹200

Q.No: 55	If $x + \frac{1}{x} = 4\sqrt{2}$, then find the value of $x^4 + \frac{1}{x^4}$.
	884
	878
	898
	866

Q.No: 56	A person divided a sum of ₹17,200 into two parts and invested them at 8% and 10% per annum simple interest respectively. If the total interest received after 2 years is ₹3,008, what is the difference between the two parts?
	₹4,000
	₹4,400
	₹5,200
	₹3,600

Q.No: 57	The graph of the equation 2x + 0y = 10 represents a:
	Horizontal line at y = 5
	Vertical line at x = 5
	Line passing through the origin
	Oblique line

Q.No: 58	A man deposits ₹2,00,000 at 10% p.a. compound interest. After the first year's interest is credited, he withdraws 40% of the interest earned. Find the balance at the end of the second year.
	₹2,93,200

	₹2,63,200
	₹2,33,200
	₹2,03,200

Q.No: 59	A box is 80 cm × 64 cm × 48 cm. Find how many cubes of side 8 cm can be arranged inside without gaps.
	480
	370
	530
	250

Q.No: 60	A chord of a circle is 25.4 cm long. Determine the radius of the circle.
	$r \geq 12.7$ cm
	$r \leq 12.7$ cm
	$r > 12.7$ cm
	$r = 12.7$ cm

Q.No: 61	The area of a rhombus is $150\ cm^2$. If the ratio of its diagonals is 3:4, find its perimeter.
	40 cm
	50 cm
	60 cm
	80 cm

Q.No: 62	In a triangle ABC, right-angled at B, if $\tan A = \frac{5}{2}$, find the value of $\frac{\sin A(\cos C+\cos A)}{\cos C(\sin C-\sin A)}$.
	$\frac{7}{3}$
	$\frac{5}{2}$
	$-\frac{7}{3}$
	$-\frac{5}{2}$

Q.No: 63	The base of a prism is a right-angled isosceles triangle whose hypotenuse is $4\sqrt{2}$ cm. If the height of the prism is 15 cm, find the volume of the prism.
	$120\ cm^3$

	144 cm^3
	96 cm^3
	112 cm^3

Q.No: 64	If x = $\sqrt{\frac{6+\sqrt{35}}{6-\sqrt{35}}}$, then what is the value of $x^2 + \frac{1}{x^2}$?
	75
	86
	121
	142

Q.No: 65	Two triangles, ABC and PQR, are congruent right-angled triangles where angle A and angle P are each 90°. If the hypotenuse BC measures 13 cm and side PR measures 5 cm, determine the length of side AB.
	8 cm
	6 cm
	12 cm
	10 cm

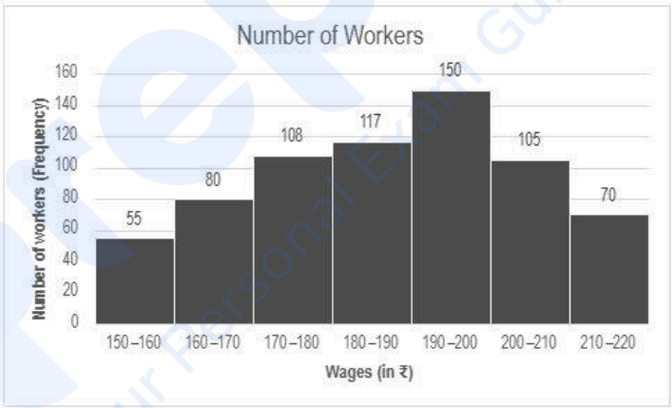

Q.No: 66	A chord of a circle measures 40 cm and is 15 cm away from the centre. What will be the length of another chord of the same circle that is 20 cm away from the centre?
	15 cm
	30 cm
	45 cm
	60 cm

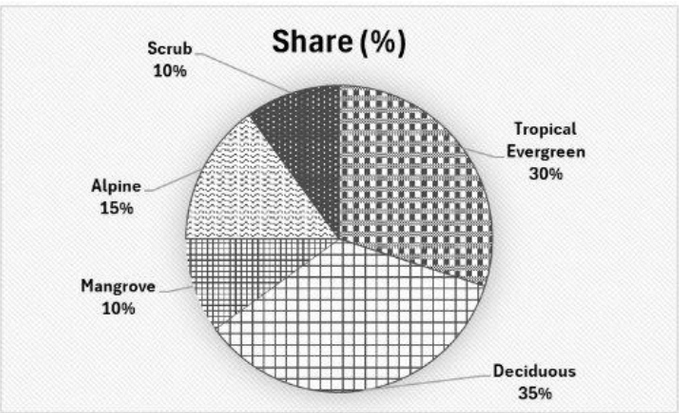

Q.No: 67	An alloy contains 35% copper, 25% zinc and 40% nickel. How much copper (in kg) should be added to 20 kg of the alloy so that the new alloy contains 50% copper?
	8 kg
	6 kg
	12 kg
	16 kg

Q.No: 68	Read the following frequency polygon which represents class interval (Axis Daily Traffic Volume (Hundreds of Unique Users)) on the x-axis and frequency (Number of Days) on the y-axis, and answer the following question:  Which interval shows the sharpest decline in number of days compared to the previous interval?
	70–90 to 90–110
	110–130 to 130–150
	90–110 to 110–130
	130–150 to 150–170

Q.No: 69	The radius of a cylinder is increased by 25% and its height is decreased by 20%. Find the percentage change in its volume.
	15% decrease
	25% increase
	10% increase
	20% decrease

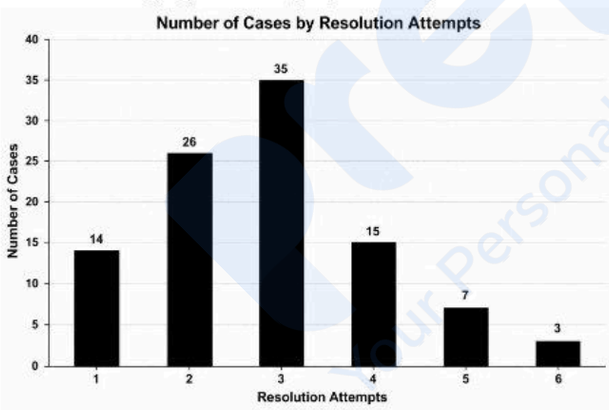

Q.No: 70	A shopkeeper marks an article 35% above its cost price. If he sells it after allowing a discount of 15%, what is his gain percentage?
	18.35%
	16.25%
	14.75%
	19.55%

Q.No: 71	Read the given histogram carefully which shows daily wages (in ₹) of workers along with the number of workers (frequency) in each class interval and answer the question that follows:  Determine the median class of wages.
	190-200
	200-210
	170-180
	180-190

Q.No: 72	The following pie-chart represents the percentage-wise share of different forest types within a specified region. Analyze the data distribution provided in the chart and answer the question that follows.  Let us assume that the 'Combined High Growth Zone' is made up of 'Tropical Evergreen' and 'Deciduous' forests, while the 'Sparse Zone' is made up of 'Scrub' and 'Mangrove' forests. By how many percentage points is the 'High Growth Zone' greater than the 'Sparse Zone'?
	35
	40
	45
	50

Q.No: 73	An observer 1.5 m tall is 28.5 m away from a tower. The angle of elevation of the top of the tower from the observer's eye is 45°. What is the height of the tower?
	15 m
	20 m
	25 m
	30 m

Q.No: 74	The average of 15 numbers is 72. The average of the first 8 numbers is 69, while the average of the last 6 numbers is 75. What is the ninth number?
	66
	72
	78
	84

Q.No: 75	An E-Commerce platform tracks the number of attempts it takes to resolve customer disputes filed under a premium merchant category. The bar-graph below presents the distribution:  Find the absolute difference between the mode and the median of this distribution.
	0

PART-D (English Comprehension)

Q.No: 76	**Select the wrongly spelt word out of the four alternatives.**
	Comprehention
	Surgeon
	Discovery
	Fathoms

Q.No: 77	**Select the wrongly spelt word out of the four alternatives.**
	Superstisious
	Courteously
	Superficial
	Fertilizer

Q.No: 78	**Choose the most appropriate antonym of the underlined word.** The witness was accused of being **mendacious** during the trial.
	Dishonest
	Truthful
	False
	Deceitful

Q.No: 79	**Choose the most appropriate antonym of the underlined word.** The witness gave a **murky** account of the incident, making it hard to follow.
	Dark
	Gloomy
	Obscure
	Clear

Q.No: 80	**Select the correctly spelt word to replace the highlighted word in the given sentence.** Her **scintilating** wit charmed every single guest.
	Scintilating
	Scintillating
	Scintallating
	Scintalating

Q.No: 81	**Select the correctly spelt word to replace the highlighted word in the given sentence.** A **propencity** for violence was noted during the investigation.
	Propensity
	Propensitty
	Propencitty
	Propencity

Q.No: 82	**In the following question, the first and last parts of the sentence (1 and 6) are given. The rest of the sentence is split into four parts and named P, Q, R, and S. These four parts are not given in their proper order. Read the sentence and find out which of the four combinations is correct.** **1. Economic growth is** P. the standard of living Q. a sustained increase R. in the production of S. goods and services that improves **6. for the entire population.**
	QRSP
	RSQP
	QPSR
	QSPR

Q.No: 83	**In the following question, the first and last parts of the sentence (1 and 6) are given. The rest of the sentence is split into four parts and named P, Q, R, and S. These four parts are not given in their proper order. Read the sentence and find out which of the four combinations is correct.** **1. The concept of the Blue Economy** P. to promote economic growth Q. while ensuring the environmental sustainability R. seeks to harness ocean resources S. and improved social inclusion **6. of the vast marine and coastal ecosystems.**
	PQSR
	RPSQ

	RSQP
	QSRP

Q.No: 84	**Choose the most appropriate option to fill the blank in the given sentence.** By the time the workshop ended yesterday, Rahul _____ the model that he _____ for three hours.
	had finished, had been building
	finished, was building
	has finished, is building
	finishes, built

Q.No: 85	**Choose the most appropriate option to fill the blank in the given sentence.** If I _____ my camera battery last night, I _____ more photos during the walk today.
	charged, would take
	had charged, would have taken

	have charged, will take
	had charged, would take

Q.No: 86	From the given options, select the homonym that corresponds to both Definition (P) and Definition (Q). (P) To adjust or compromise one's desires or actions to prevent conflict and cooperate harmoniously with others (Q) To provide temporary lodging, physical space, or overnight living quarters for someone
	Rehabilitate
	Accommodate
	Articulate
	Designate

Q.No: 87	Identify the option in which the underlined idiom has been used incorrectly.
	The minister did not mince words during the live television broadcast, spending nearly forty minutes delivering vague, evasive responses.
	When the journalist suggested that the CEO had intentionally misled investors, the executive angrily cut her off, accusing her of trying to put words into his mouth.

	The eccentric philosophy professor loved to talk in riddles, frequently answering direct student questions with cryptic metaphors that left the entire lecture hall confused.
	The interviewer accidentally hit a raw nerve when he asked the retired athlete about the career-ending knee injury that had cost his team the championship final.

Q.No: 88	Read the sentences provided in options A, B, C, and D carefully. While three of the sentences are grammatically sound, one contains an "article usage" error. Identify the option with the error.
	A research team at the University of Cambridge successfully engineered a stable topological qubit, outpacing rival physics departments across Europe.
	Excavations funded by Yale University unearthed a beautifully preserved fossilised apex predator in the badlands of Montana.
	While the Administrator refused to comment on the launch failure, Director General Faiz issued a comprehensive technical briefing to the press.
	The diplomatic delegation travelled from Netherlands to the Czech Republic to ratify the new maritime trade agreement.

Q.No: 89	Read the sentences below carefully and identify which one contains a grammatical or structural error. (P) The agricultural collective harvested as many more metric tons of organic grain than the commercial farming conglomerate during the fiscal year. (Q) The more thoroughly the research cohort analysed the genomic sequencing data, the fewer anomalies they found in the control group.
	Only P

	Only Q
	Both P and Q
	Neither P nor Q

Q.No: 90	Read the passive statement. If you were to explain the action in a single, direct sentence, which of the following active voice options would be the most accurate translation? The narrative's deeply cynical conclusion is created by the suggestion that rescue is ultimately brought about by appalling savagery, whereas it fails to be achieved by coordinated and purposeful efforts.
	The suggestion that appalling savagery ultimately bring about rescue, whereas coordinated and purposeful efforts fail to achieve it, creates the narrative's deeply cynical conclusion.
	The suggestion that appalling savagery ultimately bring about rescue, whereas coordinate and purposeful efforts fail to achieve it, creates the narrative's deeply cynical conclusion.
	The suggestion that appalling savagery ultimately brings about rescue, whereas coordinated and purposeful efforts fail to achieve it, creates the narrative's deep cynical conclusion.
	The suggestion that appalling savagery ultimately brings about rescue, whereas coordinated and purposeful efforts fail to achieve it, creates the narrative's deeply cynical conclusion.

Q.No: 91	Convert the following sentence from direct to indirect speech. Choose the option that best represents the correct transformation. Janvi said to Kamal, “I travel about in an old utility vehicle, which is a simple transport setup with basic bedding on its floor, stopping where people gather to listen and observe; however, in the process, I have formed an impression of my surroundings, the accuracy of which is limited only by my own shortcomings.”

	Janvi told Kamal that she travelled about in an old utility vehicle, which was a simple transport setup with basic bedding on it's floor, stopping where people gathered to listen and observe; however, in the process, she had formed an impression of her surroundings, the accuracy of which was limited only by her own shortcomings.
	Janvi told Kamal that she travelled about in an old utility vehicle, which was a simple transport setup with basic bedding on its floor, stopping where people gathered to listen and observe; however, in the process, she had formed an impression of her surroundings, the accuracy of which was limited only by her own shortcomings.
	Janvi told Kamal that she travelled about in an old utility vehicle, which was a simple transport setup with basic bedding on it's floor, stopping where people gather to listen and observe; however, in the process, she had formed an impression of her surroundings, the accuracy of which was limited only by her own shortcomings.
	Janvi told Kamal that she travelled about in an old utility vehicle, which was a simple transport setup with basic bedding on its floor, stopping where people gathered to listen and observed; however, in the process, she had formed an impression of her surroundings, the accuracy of which is limited only by her own shortcomings.

Q.No: 92	Read the sentence below carefully. Choose the option (A/B/C) that best improves the sentence. If the sentence is already correct, select Option D (No improvement required). It was the clinical analyst's conclusion that the patient's underlying trauma was driven by a deep, unresolved desire, desires which continuously sabotaged their interpersonal relationships.
	The clinical analyst concluded that underlying trauma of the patient being driven by a deep, unresolved desire, the desire that continuously sabotaged their interpersonal relationships.
	The clinical analyst concluded that the patient's underlying trauma was driven by a deep, unresolved desire, a desire that continuously sabotaged their interpersonal relationships.
	It was concluded by the clinical analyst that a deep, unresolved desire was driven the patient's underlying trauma, and their interpersonal relationships were continuously sabotaged by that desire.
	No improvement required

Q.No: 93	Read the sentence below carefully. Choose the option (A/B/C) that best improves the sentence. If the sentence is already correct, select Option D (No improvement required). The constitutional jurist argued that by altering the founding charter without a public referendum would nullify it and render it completely void, an act of total and absolute betrayal of the social contract.
	The constitutional jurist argued that altering the founding charter without a public referendum would render it null and void, representing a total betrayal of the social contract.
	The constitutional jurist argued that any alteration in the founding charter without holding a public referendum would null it as completely void, being a total betrayal of the social contract.
	The constitutional jurist argued that in altering the founding charter without a public referendum, we would void it totally, acting as an absolute betrayal of the social contract.
	No improvement required

Q.No: 94	**Select the correct passive form of the given sentence.** The judge will deliver the final verdict in the court tomorrow.
	The final verdict will have been delivered in the court by the judge tomorrow.
	The final verdict will be delivered in the court by the judge tomorrow.
	The final verdict would be delivered in the court by the judge tomorrow.
	The final verdict is delivered in the court by the judge tomorrow.
